Dear Sirs:

Enclosed is a check for $2. Please send me Four Dark Days and The Warren REport, your two publications dealing with the Kennedy Assassination. I read about them in the back of your publication on Lee Harvey Oswald. Do you have other publications for sale on this general topic?

I would be very interested in a list of the publications you offer for sale. I have had no previous contact with your firm but might be interested in other offerings you have.

Sincerely,

Gary Richard Schoener
